

SUMMER CHOICE READING POSTCARDS

DEAR FUTURE 6TH GRADER,

Summer is that golden time of year when there's more time to read for pleasure and fun. Over the break, (1) read at least three novels of your choice. (2) Write me a 7-9 sentence postcard about each book--you can choose to summarize the plot, tell me all about a character, connect to your own experience, etc. Please do your best writing. Finally, (3) create a visual of your choice for each novel. I hope you enjoy your summer! See you soon. I am pumped to read, write, and THINK with you in middle school!
