Reading Assignment for Incoming **Fifth Graders:**

Summer is a wonderful time to read!

We would like you to read at least four books this summer. One of the books should be from the “Summer Reading Through Windows and Mirrors” list (either the 3-6 or 5-8 group), and at least two should be from the Suggested Pleasure Reading Books for Grade Five. The remaining book is your choice!

When you have finished reading a book we would like you to write down the title and author on your [Book Tracker](#) - (Click to access and print your own copy of the Book Tracker). We'd also like you to rate your book 1 star being the lowest and 3 stars being the highest.

Bring the list of books you read to school with you when we return to school **in September**. We can't wait to hear about the books you read and enjoyed.

You are also going to choose one of the books you read that was a favorite. Please bring it with you on our first day back. We will be using it for our first project of the year!

Have a great summer and we will see you in September!
