## Summer Reading Bingo

Dear Fifth Graders,
summer is a wonderful time to read! We are both looking forward to settling in with a good book for some summer reading too!

We would like you to read at least five books this summer. At least two of the books should be from the "Summer Reading Through Windows and Mirrors" list (either the 3-6 or 5-8 group), and one of the books should be from the "Suggested Pleasure Reading Books for Grade Five". The remaining book is your choice! Many of these books are available as audiobooks and can be found on Learning Ally. Both of these modalities are fantastic ways of engaging with text.

We have created a BINGO board for you to use this summer. Please complete at least 5 activities in a row to BINGO this summer. There are 12 different ways you can BINGO; horizontally, vertically, or diagonally. A COVERALL would be completing every square on the board.

When you have finished reading a book we would like you to write down the title and author on your Book Tracker - (Click to access and print your own copy of the Book Tracker). On your tracker, you'll record the title, author, and genre of the book. We'd also like you to rate your book from l-3. I star being the lowest and 3 stars being the highest.

Bring the list of books you read and your BINGO board to school with you when we return to school in September. We can't wait to hear about the books you read and enjoyed and tell you about the books we read as well.
you are also going to choose one of the books you read that was a favorite. Please bring it with you on our first day back. We will be using it for our first project of the year!

Have a great summer and we will see you in September!
Ms. Miller \& Ms. Faithfull
