

Getting to know the CRS Parent Portal

What can I find in the CRS Parent Portal?

In the parent portal you can find the school directory, class lists, weekly lunch menus, the school store, health forms, important dates to know, and other information about for students, parents, and caregivers.

Login

Logging into the portal:

You can access the portal by going to the [school homepage](#), and choosing Login -> Parent Portal in the top-right, or you can follow the direct link listed here:

<https://charlesriverschool.myschoolapp.com/app#login>

Resources

Start with the Resources board:

When you first login, you will be presented with the **Resources** board, linked in the top navigation menu. Here you will find weekly lunch menus, dates to know, the school store, and other important information.

Using the School Directory

What can I find in the school directory?

The school directory has lists of current faculty & staff, students and parents sortable by grade level or city.

Printing the Family Directory

Under the Student directory, you can click the printer icon in the top-right, and choose Print Family directory to download a PDF of the school sorted by family.

Using the Map Tool

Under the Parent directory, you can click the map icon to show CRS families sorted by town, and displayed on a map of the surrounding areas.
